**NOTE: If pool water height is greater than 24 inches in height or above a fence is required. The fence must be a minimum of 48 inches tall up to 72 inch maximum with a self latching gate.** Separate permit may be required for electrical. This permit nulls and void if work or construction authorized is not commenced within six (6) months, or if construction or work is suspended or abandoned for a period of six (6) months at any time after work is commenced. I hereby certify that I have read and examined this application and now the same to be true and correct. All provisions of law and ordinances governing this type of will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction or the performance of construction.
